WORK EXPERIENCE

○ 2016 - Present

Website Engineer

OTON GLASS (otonglass.jp)

Volunteering as part of an energetic design and branding team. I am responsible for improving and maintaining the OTON GLASS website. I translated this project from Japanese to English using Angular JS.

● 2015 - Present

Kids Duo, Chiba

Native Teacher

Teaching a comprehensive private English curriculum where I get to apply my creativity creating crafts and fun, engaging activities for my students.

● 2013 - 2015

Peppy Kids Club, Kanagawa

Native Teacher

Working in an English school environment, I was responsible for inspiring young learners to speak and use English.

● 2011 - 2012

Web Design

Freelance

I assisted website design
Created layouts in Photoshop and organised color schemes while choosing effective typefaces.
